

SECRET

PIC/D-54/60
22 April 1960

MEMORANDUM FOR: [REDACTED]

25X1

THROUGH: Security Officer, PIC

SUBJECT: Request for Clearances [REDACTED]
[REDACTED]

25X1

25X1

1. It is necessary that [REDACTED] have CHAL and COR clearances in order to perform computer programming in support of PIC operations. His programming activities require knowledge of camera configurations, camera mounts, hatches, windows and such other information as flight altitudes and flight characteristics as they effect the earth's curvature, refraction, rates of camera altitude change, and image motion compensation values.

25X1

2. [REDACTED] is in Washington today and will be leaving tonight to return to [REDACTED]. It will be quite beneficial to our program if [REDACTED] can be briefed for these two programs today.
